Dear Exhibitor,

The Missouri Association for Adult Continuing and Community Education (MAACCE) invites you and your company or organization to exhibit at the premier adult and community education event for Missouri.

Showcase your products and services to hundreds of professional educators looking for ways to enhance their programs. As educators deal with the realities of increasing responsibilities and decreasing budgets, they are searching for systems and products that will help them do their jobs more effectively. Our theme for this year's conference is **"MAACCE: Magical Moments in Learning."**

The MAACCE conference promotes quality professional development to a varied audience of educators. In an effort to encourage attendees to visit the exhibits, conference registration, breaks and other scheduled times have been designed so participants have plenty of time to visit your exhibit.

To be an exhibitor at the 2023 MAACCE, please read all information provided in this brochure and complete the MAACCE Exhibitor registration form located on the MAACCE website, www.maacce.org. Conference space is limited to approximately 20 exhibit spaces on a first-come, first-served basis, so register soon.
