MOlearns Magic

- 
- 
- Missouri's online HSE prep class
 - MOlearns is designed to provide HSE prep to students who are not able to attend a regular face-to-face class.
 - MOlearns can also be used as supplementary curriculum for students wanting additional study opportunities.
- 
- 

Student Qualifications

- 
- 
- 17 Years or older (or 16 hrs of hs credit)
 - Does not have a high school diploma, a High School Equivalency (HSE), or the basic academic skills necessary to obtain and retain meaningful full-time employment
 - (NRS) Level 3 or above on the Reading Test of Adult Basic Education (TABE)
 - Enrolled in a DESE-funded local AEL program as described in the program's approved grant/contract
- 
- 

Student Application Process

- Student completes an online application form
 - www.molearns.com/applynow
- Students will receive a welcome email personalized to each program within a few days of completing an application
- Students will complete the reading TABE test. If they score 501 or higher they can continue with math and language testing
- If a student scores less than 501 they will be sent an email with a letter from DESE informing them that they are not qualified for MOlearns

Orientation

- 
- 
- Once all TABE testing is complete the student will be assigned to a MOlearns orientation date
 - MOlearns orientation is two parts
 - Online asynchronous orientation on Canvas
 - Video call meet and greet
 - If the student's local program requires that a MOlearns student attend their program's orientation, then students will be given instructions on how to attend that as well
 - Once a student completes all the required orientation then they will be assigned a learning plan
- 
- 

Lesson Plans

- 
- 
- Teacher will assign a lesson plan based on the students TABE scores
 - Students will be assigned to work in Canvas and/or Aztec
 - If a student is hybrid, the MOlearns teacher will work with the program when creating lesson plans
- 
- 

Weekly Report

- Programs will receive a weekly hours report from MOlearns
- If requested, they will also receive a weekly lessons report
- Programs will receive a list of students ready to start orientation
- Programs will receive a list of students who did not qualify for MOlearns due to their reading score

Monthly Report

- MOlearns will send a list of students who we feel are ready to post test
- MOlearns will send a list of students who we feel need to be removed from the program

Successful Students

- 
- 
- Read instructions and follow through.
 - Work a Minimum of 5 hours a week.
 - Communicate weekly with the online instructor.
 - Post-test when ready.
- 
- 

Still up our sleeve...

- 
- Sharing applications
 - Welcome emails for each program
 - Sharing existing students information
- 
- 

Waving our Magic Wand

- 
- 
- This is a new process for all of us. Please be patient with us as we make these changes
 - We will be open to all suggestions to make working with your program run smoothly
