## **ELL Resources**

IXL.com

<u>Kahoot</u>

Gimkit

Free online typing sites: Typing.com TypingClub Learn Typing

Map skills/giving directions: <u>National Geographic Education</u> <u>ESL Activities</u>

<u>Games4ESL</u>

Great article about metacognition (thinking about learning): Metacognition

And another one with great examples: <u>Promoting Student Metacognition</u>

A great introduction to translanguaging (using two or more languages in the classroom and for communication): <u>Translanguaging</u>

A wonderful article about translanguaging from teachers' perspective: <u>Translanguaging WIDA</u>

What research tells us about translanguaging: What Is Translanguaging?

An excellent PDF about translanguaging: <u>Translanguaging to Support Students</u>
